

## Bat-tacular Contest Form

Bats play a very important role in our environment. Not only do they control pests, but they also pollinate and spread seeds from certain flowers.

As a part of a Community project, one of our residents, Steven Brown, built Bat houses, which have now been placed on various wooden light standards around Town.

Locate all the bat houses and have your name entered into a draw to win Bat-tacular movie pass prize.

Name: \_\_\_\_\_

Phone number: \_\_\_\_\_

Number of bat houses: \_\_\_\_\_

Contest closes October 31, 2018

Winner will be called on November 2, 2018

Prize includes movie tickets for a family of 5

You can call or email your answers to Jenny Larson, Community Services Coordinator, 780-921-2137 or [jl Larson@bonaccord.ca](mailto:jl Larson@bonaccord.ca)
